

# Order Form

Project number:

kwak's comments:

- Initial order
- Follow-up order
- Modification

## Client data:

Client Number:

If you fill in your Client Number, you do not need to fill in the company details.

Company Name:

Street Address:

ZIP:

City:

Country:

Company Registration No.

VAT-No.

Person responsible:

E-mail:

Client's bank name:

Account in name of:

BIC:

IBAN:

## Number Data:

Tariff:

Adult

Data

Dial-In digits:

Destination

Please fill in the details of the number you want to order.

**Tariff** means the tariff number you will find on our price-list.

**Adult** means whether you plan to use the number for adult services. Some countries have different number ranges for these services.

Click on "**Data**" if you plan to use the number for data traffic (i.e. Dialer)

**Dial-In Digits** are the digits you want to add after the original number in order to distribute calls within your switch.

**Destination** is the target number which we use to forward the calls.

## Comments:

Please fill in any information you think is useful for us in order to setting up the number(s). Best would be a short project description.
